ZEN INSPIRATION

ROVERE CARBONE

Il fascino orientale è un perfetto equilibrio di materiali, colori e forme. I toni scuri invitano alla riflessione, le diverse matericità richiamano il contatto diretto con la natura e le lavorazioni speciali delle superfici esprimono il valore dell'artigianalità.

COAL OAK

Eastern charm derives from a perfect balance of materials, colours and forms. The dark tones are an invitation to introspection, the different textures are reminiscent of a direct contact with nature and the special surface finishes express the value of craftsmanship.

GLAM LOOK

ROVERE MOKA

Lo stile elegante conquista e affascina a prima vista. L'eleganza si esprime attraverso finiture ricercate, come venature ed effetti materici dalle tonalità intense, chiare o scure, che scaldano l'ambiente abbinate a lavorazioni canettè che danno profondità.

MOCHA OAK

The elegant style wins you over and fascinates you at first sight. Elegance is expressed through refined finishes such as veins and textural effects with deep, dark or light shades that add warmth to the room, while reeded surfaces add depth.

MODERN MOOD

NOCE AMBRA

La modernità si esprime accostando le venature del materico noce ambra a colori pieni e texture minimal. Materiali caldi e tonalità fredde si incontrano nel living e creano una piacevole armonia visiva, che rilassa corpo e mente.

AMBER WALNUT

Modern bent expresses itself by pairing the grain of textured amber walnut with solid colours and minimal textures. Warm materials and cold shades meet in the living room and create pleasant visual harmony that relaxes the mind and body.

LIGHT SOUL

ROVERE SABBIA

La leggerezza è l'assoluta libertà di creare il proprio living. Il rovere sabbia può essere accostato alle tonalità chiare, sta bene con i colori pieni, trova ulteriore forza espressiva con le matericità decise.

Ognuno ha il suo modo di sentirsi più leggero.

SAND OAK

Lightness gives you total freedom to create the living room of your dreams. Sand oak can be paired with light shades, looks good with solid colours and grows in expressive power when combined with bold, textural finishes. Everyone has their own way of feeling light.

NATURAL LIFESTYLE

ROVERE NODATO

La naturalezza si esprime attraverso l'autenticità del legno nodato che si abbina al bianco e a delicati effetti materici per riprodurre la varietà della natura. I colori si attenuano, le superfici si fanno materiche e tutto si armonizza in ambienti caldi e accoglienti.

KNOTTED OAK

Natural appeal is expressed through the authenticity of knotted wood combined with white and with delicate textural effects aimed at reproducing the variety offered by nature. Colours are softened, surfaces are textured and harmony reigns in warm and cosy settings.

DESIGN SELECTION

COMPLEMENTI / ACCESSORIES

Progettualità e ricerca sono alla base della Complementi Design selection: la volontà di coniugare forma e funzione con uno sguardo all'anima decorativa che da sempre è parte integrante di un complemento d'arredo. Colori audaci, grafiche che spaziano dallo stile psichedelico, alla poesia delle forme della natura e accostamenti di materiali diversi sono il tratto dominante di tutta la collezione.

Planning and research are the basis of the Accessories Design Selection: the desire to combine form and function with a glance to the decorative soul that has always been an integral part of a furnishing accessory. Daring colours, graphic styles ranging from psychedelic, to the poetry of the forms of nature and combinations of different materials are the dominant feature of the entire collection.
